

Family Physician

Family Physician

Live and practice in the heart of Muskoka in Bracebridge Ontario;

Less than an hour from Barrie and 2 hours from Toronto.

Bracebridge is a great place for outdoor activities and artistic endeavors. An environmentally conscious community with a new desirable high school with attached pool and theatre. Bracebridge is a progressive community that leads by action.

Assume a manageable established roster of patients with the Archdekin Medical Group at the Cottage Country Family Health Team (<http://ccfht.ca/>) located in Bracebridge, Ontario, about a two minute walk from the South Muskoka Memorial Hospital. The Family Health Team offers a team approach to patient care comprising 6 collegial family physicians.

Nurse Practitioner

Pharmacist

Two office Registered Nurses

Diabetic Education Program

Dietician

Physiotherapy

Social Worker (mental health counselling)

Our Turnkey Office is fully electronic with established EMR using Practice Solutions (Telus Health).

We have administrative support including secretaries, an office manager and IT support.

Northern Rural Recruitment Retention Initiative: Ministry of Health and Long term Care Incentive paid over four years of \$93,640 (http://www.health.gov.on.ca/en/pro/programs/northernhealth/rio_score.aspx) for eligible candidates!

The South Muskoka Memorial Hospital is a 59 bed care facility offering a blend of primary and secondary services to provide the needs of our community.

There are three General Surgeons, two Urologists, and a Gynecologist supporting a broad range of surgical services assisted by our three Anesthetists. A Radiologist and Pathologist are on site. Diagnostic services include CT imaging. We have an ICU supported by one Internist and part time General Internal Medicine physicians and a full complement of Emergency Medicine Physicians. Obstetrics is covered by three Family Practitioners. We have complex continuing care capacity. Our office mentors NOSM 3rd year Medical Students and Family Physician Residents.

The Practice is available immediately, vacancy is a retirement and Dr Philips will help in transition.
